

The Life Course Model II

Continuing to help youth get on and stay on the right track

Who Should Attend?

Anyone who would like to learn more about the Life Course Model and how to apply it into daily work

Learning Objectives

- Continue to increase awareness and knowledge of Life Course Model
- Create strategies for implementation of Life Course within curriculum and practice
- How to utilize Life Course perspective in daily work
- Understand how Life Course perspective affects decision making

Please bring one lesson plan which you currently utilize with your youth.

Wednesday, September 29th

9:00 – Noon • Kroc Center, 2825 "Y" Street • Omaha, NE 68107

Register with Barb Farho, bfarho@ci.omaha.ne.us Questions? Call 444-6881

If you attended the Life Course Model Training last year, please come again! This session will provide a more in-depth approach to applying the model. If you did not attend last year, this will be appropriate for first-timers too!

Limited to 70 participants
