Omaha After School Provider Resource

A Message from Mayor Jim Suttle January 2010

The mission of the Greater Omaha After School Alliance (GOASA) continues to be the organization, expansion and improvement of the existing after school programs throughout Omaha.

GOASA was founded in 2007 to coordinate the efforts of Omaha's schools with out-of-school programs to ensure that Omaha's youth have every opportunity to reach their full potential. Today's youth spend only a fraction of their lives in the classroom and after school programs serve as a key link to a well rounded educational experience. GOASA strives to offer the community the appropriate tools so all of Omaha's youth have the opportunity to participate in high quality after school programs.

The publication of the *Omaha After School Provider Resource Guide* provides the community with resources to connect with after school providers. In the pages of this guide, you will find important information about local after school programs including:

- Locations of after school programs
- When programs are offered
- Services that each program offers
- Contact information of program providers

Omaha's after school providers do an outstanding job and I appreciate their hard work on behalf of our community. I hope that the *Omaha After School Provider Resource Guide* will be a valuable tool for students and providers alike. For questions about GOASA or this guide, contact Barb Farho in my office at (402)444-5151 or email bfarho@ci.omaha.ne.us.

Kind Regards,

A handwritten signature in black ink that reads "Jim Suttle".

Jim Suttle, Mayor
City of Omaha
